

...EVERYDAY ADVENTURE

PINEWOOD DERBY

Saturday 7th December 2013

Dear Leaders

We will be holding a Pinewood Derby this year; attached is a letter for interested YP. As we are expecting a good response we are restricting this years competition to scouts only.

The cost is £3 per kit, payment is preferable by **cash**, however Group cheques only are accepted for collective payment, please make cheques payable to 2nd Hemel Hempstead Scout Group. Kits will be available from myself from 1st November - but book as early as you like by email or phone.

I will need to know the number of entries to help with planning, please don't guess numbers and not take the kits but ask for those interested as I have a limit. *Usually getting them to say yes and then collecting monies after will make them more committed to complete their kit rather than just giving them out with the group paying.* Counts towards badge work too, if you need someone to come along and talk about it please do say.

This year the Scout Leaders have decided to run a pre-event open workshop, on 30th November, to give the YP any assistance they need as there will not be a workshop (or pits) available on race day. So any lazy ones nearer the time with not much done to their kits - just send them along for some inspiration. They do not need to wear uniform.

If you need further information, or have any queries, please contact me.

Woggles Up!
