

We provide Scout permit holders to take groups of Essex and Hertfordshire Scouts underground, to work towards their Scout and Explorer Caver badges.

What do you need to do?

Agree on trip dates with us, and bring your Scouts/Explorers to Mendip, where we will take them on some exciting adventures underground. You will be responsible for the care of your Young People above ground. We are able to advise on where to stay and other logistical arrangements.

**Who to contact?
